TERMS AND CONDITIONS

Golf Course Guidelines

1. Check-In Requirement: Prior to teeing off, all golfers are kindly asked to check in at the Pro Shop. Please retain your ticket for reference.
2. Cart Policy: Golf carts must remain on the golf course property at all times during use.
3. Tee Time Etiquette: Tee times are essential. Kindly arrive at least 10 to 15 minutes before your scheduled tee time. Late arrivals will be reassigned to the next available tee time.
4. Hole Reservation: If your plans change mid-round, please consult the Pro Shop before continuing play, especially if you wish to extend your game beyond the initially booked number of holes.
5. Range Ball Usage: Range balls are exclusively for use on the driving range and are not permitted on the course at any time.
6. Individual Equipment: Each player must have their own set of golf clubs. Rentals are available at the Pro Shop.
7. Dress Code: Proper golf attire is required, including collared or mock-collared shirts. Denim shorts and pants are permissible if not cut-off. Please note, we are a spikeless facility. Golf or athletic shoes are permitted. Work boots and cowboy boots are not acceptable.
8. Group Size: Fivesomes require prior approval from the Pro Shop before tee time.
9. Beverage Policy: Outside coolers or alcoholic beverages are not permitted on golf course property unless beverages are purchased at the clubhouse. Supplies are available at the clubhouse restaurant adjacent to the Pro Shop.
10. Spectator Protocol: Spectators are kindly asked to check in with the Pro Shop.
11. Children's Supervision: Children under the age of 16 must be supervised at all times. Children 11 and under must be accompanied by an adult.
12. Cart Occupancy: For safety reasons, only two persons, including children, are permitted in a golf cart. Non-playing children should remain in the cart at all times.
13. Respect for Property: Please respect the property of homeowners surrounding the course.

Golf Course Etiquette

1. Turning Rights: Groups making the turn from hole #9 to #10 have priority over those starting on #1.
2. Pace of Play: Please maintain pace with the group ahead. Aim for approximately 2 hours for 9 holes, with an ideal pace of 10 minutes per hole. Allowing faster players to play through ensures consistent pace without delays.
3. Cart Distance: Keep golf carts at least 30 feet away from greens.
4. Continuous Play: Players stopping between holes forfeit their tee-off position.
5. Safety During Lightning: In the event of lightning, prioritize safety. Seek shelter in the clubhouse or appropriate cover.
6. Play Order: Holes must be played in sequence without cutting in line.
7. Conduct Expectations: Any disruptive or disrespectful behavior will result in ejection from the golf course and forfeiture of fees paid.
